

Dear ARLE members

On behalf of the ARLE board, I wish that this message finds you well, probably at home due to government requirements and hopefully safe and in form. As SIG Portfolio holder, I also wish to formally inform that all SIG events scheduled until September 1, 2020, have been cancelled. The SIG event on *Literacies: Reading, Writing & Oracy* (September 30 – October 2, 2020, Patras, Greece), however, will still go ahead as planned.

We look forward to sending new calls for the postponed events, which will mean that we all have been able to successfully overcome the difficult time we are facing.

Best regards

Xavier Fontich

ARLE SIG Portfolio holder
